

# State Revenue Society Catalog Order Form

***The State Revenue Catalog, Second Edition, Edited by Dave Wrisley***  
*Winner of the 2014 APS Gold & Grand Prize for Literature*

*The State Revenue Catalog, Second Edition, is the culmination of aggressively seeking out unlisted state revenue stamps from all collectors. In addition to illustrations in color, numerous images are used to illustrate design features and design changes, rather than only verbal descriptions. Catalog values have been updated.*

"...among the most important philatelic books of 2014...." Everett C. Parker, *Mekeel's & Stamps MAGAZINE*, March 21, 2014

"...a very worthy successor to the 2007 edition...." Michael Baadke, *Linn's Stamp News*, January 6, 2014

"If you collect or aspire to collect state revenues, this is your single most important resource." Ron Leshner, *The American Stamp Dealer & Collector*, January 2014

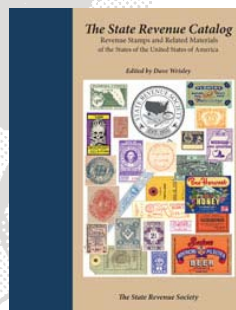

"...a major advancement over previous state revenue catalogs...." Eric Jackson, *The American Stamp Dealer & Collector*, January 2014

"It is breathtakingly good, and such an advance over what we had. Hopefully the entire field of state revenue collecting will now begin a huge leap forward!" Michael Mahler, *The American Revenuer*, First Quarter 2014.

"... WOW am I impressed with the quality." "WHAT A BEAUTIFUL JOB!!" "It is a beautiful work and more than worth the price." SRS Members

**Among the new catalog's many features are:**

- *Illustrations in color*
- *Detailed illustrations of design features*
- *Hard bound*
- *More than 700 pages with updated catalog values*
- *Informative Introduction and Identification aids*
- *Contributions from 60+ specialists*
