State Revenue Books and Periodicals Available Through the American Philatelic Research Library

January 2016

The State Revenue Society donated its library to the APRL in 2008, and the materials were integrated with the APRL's existing state revenue holdings. Since that time, the APRL has continued to develop its state revenue related holdings in accordance with its overall collection development policy and the SRS has contributed additional publications. Following is a list of state revenue related material in the APRL, including items donated by the SRS and items from other sources. New items added in 2015 are in bold.

To borrow these items, contact the APRL through the APS website
