PFC. H. M. Hubbard, 989163,
3rd Marine Div. Band,
c/o F.P.O., San Francisco, Cal.

Dear Private Hubbard:

Should have answered your request of Sept. 5th earlier as, with all the changes that are being made these days, you may be on your way home by this time- I hope.

We did have Beer and Wine stamps but several years back someone offered to buy them all so we sold them. Sorry that I cannot send you any.

Have a few U.S. stamps that are in blocks as they were put on packages and I saved them, though I hardly knew what for at the time. Will send these to your wife as requested and hope they will be of some use to you.

We do appreciate all you boys have been doing for all of us here at home and I hope we can all prove it to you when you come home to stay.

With all good wishes,

Sincerely,

(Mrs.) Aleta A. Bennett,
Clerk-Treasurer.
